

Study Engineering in English in JAPAN

english engineering education PROGRAM

Master's degree: 2 years
Doctoral degree: 3 years

- Over 160 subjects available in English
- Select from a wide range of fields
- Enroll from the Spring semester (starting on April 1st) or the Autumn semester (starting on October 1st).
- Apply for financial support through the program

Choose your Field

- Applied Physics
- Materials Science and Engineering
- Mechanical and Space Engineering
- Human Mechanical Systems and Design
- Energy and Environmental Systems
- Quantum Science and Engineering
- Field Engineering for the Environment
- Engineering and Policy for Sustainable Environment
- Architectural and Structural Design
- Human Environmental Systems
- Environmental Engineering
- Sustainable Resources Engineering
- Cooperative Program for Resources Engineering* (*Master's degree only)

Hokkaido University

World Rankings (2021-22)		Engineering	
QS Asia	29	Student Enrolment	
QS World	144	Undergraduate (from 2nd year)	2,234
Times Higher Education (THE)	501-600	Graduate	1,026
Student Enrolment	18,113	Master's	785
Undergraduate	11,561	Doctoral	236
Graduate	6,552	International Students	285
International Students	2,057	Faculty Staff	335
Faculty and Staff	3,893	Non-teaching Staff	120

Japanese Government MEXT scholarship

Nomination through the e3 program

Enrollment semester

October 2022

On-line application period

Oct 25-Nov 30, 2021

- Select a research field and laboratory
- Confirm your eligibility
- Prepare a research proposal, transcripts etc. and submit on-line
- Documents screening and on-line interview (shortlisted candidates only)

Eligibility

Applicant's birthday must be on or after April 2nd, 1987.
 Applicants must have nationality of a country that has diplomatic relations with Japan.
 Those who reside in Japan are not eligible to apply for the scholarship.
 Applicants must have excellent academic record and be proficient in English.

<Minimum English Requirement>

TOEIC L&R 785
 TOEFL iBT 79, TOEFL iBT Special Home Edition 79, PDT 60
 IELTS (Academic) 6.0
 Medium of Instruction Certificate (MI)

Monthly allowance and benefits

Master's course: 144,000 JPY
 Doctoral course: 145,000 JPY

Examination, admission and tuition fees are not collected.

This is a uniform call for MEXT scholarship for "Global Leadership Program for Cold Region Engineering" and other MEXT scholarships (University Recommendation) such as "General", "Top Global University Scholarship" and "Study-in-Japan Global Network Scholarship"

For details please check e3 web page and application guidelines.

Regular Admission

Enrollment semester	October 2022	April 2023
On-line application	March 2022, tba	September 2022, tba

Support for private students

MEXT Honours Scholarship

- a grant of JPY 48,000/month for 6 or 12 month

Tuition fee waivers

- self-supporting graduate students can apply for a waiver/discount

e³ grant for PhD students

- one-time payment of JPY100,000 to newly enrolled self-supported PhD students

Study support for Doctoral Students

- full tuition fee support through the combination of tuition fee waivers and employment as a research assistant

Academic fees (MEXT scholarship recipients are exempt from all the fees)	
Application fee	JPY 30,000
Entrance fee	JPY 282,000 (upon enrolment)
Tuition	JPY 267,900 per semester

*Subject to change

What attracted you to choose Hokkaido University as a place to study?

Sapporo is a beautiful place and is not as crowded as Tokyo, or Osaka. There is good research at Hokkaido University.
 Snowfall at Sapporo gives a unique opportunity to develop robots which can also work in extreme weather conditions. Food is very tasty here.

Abhijeet RAVANKAR (India) Laboratory of Robotics and Dynamics (HMSD)
